

**NATIONAL
IMPORTERS
BRAMPTON**

**3D STORAGE
SOLUTIONS
LIMITED**

INSTALLED: MAY 2012
SQUARE FEET: 65,000
PALLET POSITIONS: 3600+

Storage Types:
Selective Pallet Rack
Bulk Storage

Configuration:
RX Column Frames
Roll Formed Step Beams
Snap-in Support Bars
Mesh Decks at Tunnels

Background: Our tubular RX column was introduced in March of 2012 and National Importers became our first large installation with the new profile. This was a very competitive project and involved a buyback of existing old Redirack material.
